Career Objective

To work in an organization which provides me with ample opportunities to enhance my skill and knowledge along with contributing to the growth of the organization.

Education

- **Bachelor of Science in Computer Science and Engineering (2022)**

Primeasia University, Kemal Ataturk Avenue, Banani, Dhaka.

- **Higher Secondary School Certificate (2015)**

Gazipur Govt. Mohila College, Gazipur.

- **Secondary School Certificate (2013)**

Joydebpur Govt. Girl's High School, Gazipur.

Research

- Undergraduate Research Topic: **"Data Analysis of mental illness for use of additional technology and its bad effects on the human body"**. Used data science and analytical methods with python.

Project

- **Doctor's Portal:** Develop a doctor and patient portal with Register and Login capabilities. Patients will be able to schedule appointments from the portal and can see their scheduled appointments on different dates. This project is powered by React, Firebase and MongoDB.

- b. <https://github.com/nadianewaz/Doctors-Portal-Server> (Server/ express.js)

- **PSD to HTML conversion:** Built responsive and interactive web project which can convert PSD to HTML. Used HTML5, CSS3, Bootstrap, JavaScript, jQuery.

Link: <https://resplendent-quokka-7404b7.netlify.app>

- **Recipe Searching System:** Develop a recipe searching system where users can search their favorite food, select them and can see the full recipe of the food. This project is developed using Java.

Skills

- **Backend Development:** Java J2EE
- **Web Development:** HTML, CSS, Bootstrap, JavaScript, ES6, SASS, Material UI, React.js (basic), Next.js.
- **Database:** MongoDB (basic), SQLite.
- **Software/ Tools:** VS Code, Photoshop CC, Node.js, NPM, CodeBlocks, Anaconda.
- **Version Controlling System:** Git

Languages

Bangla (reading and writing), English (reading and writing), Hindi (reading), Arabic (reading).

Participation and Certification

- **PAU CSE Fest (Project Showcasing Category 2018) - 3rd position:** Designed and coded a "Recipe Searching System" project with Java.
- Participated in a Web Design course at BITM.

Additional Information

- Organized and planned an event of 25-30 students of PAU CSE department (Team Leader).
